

## The National Autistic Society Lancaster & Morecambe Branch

The Lancaster & Morecambe Branch is a branch of The National Autistic Society (NAS) which supports children, adults and their families who have, or are seeking a diagnosis of autism, including Asperger syndrome.

Our Branch was formed in 2005 as F-ASD (Forum for Autistic Spectrum Disorders). We became a branch of the NAS in 2014.

The Branch continually seeks funding to develop and expand its activities.

### Joining the branch is FREE

If you are thinking of joining the NAS or are already an NAS member, then you have the opportunity to nominate the Lancaster & Morecambe Branch as your local branch. We would then receive a percentage of your membership fee. Contact us for details
