

MORECAMBE ROAD SCHOOL

YOUR SCHOOL NEEDS YOU!

Have you ever wondered who decides:

- What we teach
- Who does the teaching
- How the money is spent

It is not the Head or the Local Authority who have the final say - it is a group of volunteers, the School Governors.

Made up of members from staff, parents/carers and the community they make sure that the school is doing everything it can to give our pupils the best outcomes.

We need two new parent/carer governors to make sure that all points of view are included when decisions are made.

If you think you could help and are available 3-4 times a term to meet with other governors please contact me for more details at Chair@morecamberoad.lancs.sch.uk or via the school office.

Sarah Mainwaring
Chair of Governors (and former parent governor)

Remember no one is a greater expert
in your children than you!
