Register of Interests

Date: March 2023 (Updated Annually)

The Register of Interest demonstrates transparency and good governance of the financial management in school and meets the criteria of the school's financial value standard. An individual form for registering interests has been completed and signed by staff with a financial input (e.g. Budget holders) and all members of the Governing Body. The form requests staff and governors to certify that:

- They have declared all beneficial interests, which they or any person closely connected with them have with businesses or other organisations, which may have dealings with the school.
- They have declared details of any other educational establishment which they govern
- They have set out any relationships with members of school staff
- They have agreed to inform the school of any changes in these interests
